

## July 2021 Update from your Board ... New Coach Edition

### ***Toilets Formerly Known as LADIES***

The other new Unisex loo is coming along nicely. There was a short delay when asbestos was discovered in the Tennis club next door, and while the new electrical switchboards were installed. But the work is now back in full swing. Thanks again to the City of Charles Sturt (CCS) & Mykra.

### ***Disabled Access Toilet***

CCS have assured us that they have budgeted for the construction of a Disabled Access Toilet for this financial year. They are preparing plans to convert the current Secretary's Office into a toilet with external access from the western side. This will go to tender shortly and will hopefully be completed before the start of the pennant season ... and of course the Secretary's Office will be relocated.

CCS have also notified us that alterations to our existing external access doors are required to ensure we comply with regulations relating to disability access to our club rooms. We have requested automatic sliding doors for the main entrance. CCS are checking their budget, however it does look promising at this stage!

### ***Membership Fees***

Our fees will remain unchanged for the 2021 – 2022 season (\$180 for a full membership), and you can pay them any time you like:
