

Update from your Board – February 2022

Apology

This update is a bit late as we deferred the February Board meeting by a week as we've had various people ill, awaiting the results of PCR tests and quarantining ...

Pennant Summary

Our Coach provided a summary of where all of our teams are at. Most of our teams look like playing finals in mid to late March ... which is a very good thing.

Standings as at 15 February:

Wednesday

D1 – 2nd / 10 wins

D3 West – 8th / 6 wins

D4 North West – 2nd / 10 wins

Thursday

D3 West – 1st / 9 wins

Saturday

D1 – 2nd / 9 wins

D4 West – 1st / 11 wins

D6 West – 3rd / 10 wins

D7 North – 2nd / 12 wins

Well done everyone!

Coaching

Sam is pretty happy with the way we our Pennant sides are performing, however he would like to see a few more of us attending our **Official Club Training at 4PM every Thursday**. He is available for one-on-one coaching, so please make use of him. He will be setting up some game situation drills that will intensify as we get closer to finals action.

Members Draw & Happy Hour

We will be continuing with our Member's Draw and Happy Hour every Saturday from 5:30PM. Be sure to pop in. Allan Harris is pretty glad he did as his number came up and he took the \$500 jackpot last Saturday.

End of Season Dinner – change of Date

For a variety of reasons our end of season dinner has been rescheduled to **1 April 2022 @ 7:00PM @ Seven22**. The cost is \$18 per person. Please add your name to and indicate whether you are bringing a guest on the sign-up sheet at the club.

New Uniforms

Please check out the new uniform size guide and add your size and sleeve preferences to the 'order form' on the notice board as soon as you can.

Welcome to New Members

This month we welcome three new members:

- Rodney Egge
- Stu McCahon
- Anne Vreugdenburg

Please make the welcome.

Renovations Update

Work continues on our disabled access toilet. The new concrete ramp is now in place and we hope to see the toilet finished before the end of the season.

The new BBQ area in the shed is complete ... thanks to Ricky Burgess & Allan Harris for all they've done.

We have also received a grant to install some energy efficient heating in the bar area. The existing radiant heaters will go, and we will have two split system units installed. We think we might be able to use them for a bit of cooling in the spring or autumn when we're not using the evaporative AC. Work to commence sometime very soon.

Don't forget our sponsors

This club wouldn't exist without the generous support from our sponsors. Please remember them and show them your support.
