Ideal time to introduce members sons, daughters and grand-children to lawn bowls?

Official Practice

Starting Thursday 4th August, 3.30 - 6.00pm. Everybody will be expected to attend (***men and ladies***). It is understood that some members, for various reasons, will not be able to attend on a Thursday. Ladies official practice is yet to be confirmed.

(Every member is expected to practice at least once a week.)

Sunday Off-Season Games Days

Two Sunday "games" days will be setup as **internal trial games** in **August**. This will give the coach and selectors an early look at new and existing players prior to planned trial games in September. It is also a good chance to catch-up and bond, prior to season start.

(Please Note: Woodville members have a unique situation. No green-keeper, means practice any time and day of the week.)
