### Coaching / Training Program

Sam Mezzini has been reappointed as our coach for another season ... which isn't surprising given the success this club has achieved. Well done Sam, we all looking forward to working with you and finding that little bit extra for our next season.

You should all have received an email about our 2023 – 2024 Training Program, the key dates are listed in Diary Dates below.

### Facilities Upgrades

- The new veranda is complete! It looks great and will be even better when we add some signage, new lighting along the fascia to eliminate the shadow in the ditch along the southern end, and some new outdoor furniture.
- Our new LEDs (courtesy of our local member the Hon Joe Szakacs & the City of Charles Sturt) are installed and have re-aimed with the new light hoods. The lighting on both greens is fantastic.

## The Driftwood Trophy

Sadly, the Millswood Trophy isn't ours this year. We put up a good fight but Millswood won the day. There has already been some talk of a pre-season rematch, so watch this space.

## Our Bar

We all know how congested things get at our bar. We are now looking into an upgrade sometime in the next year or so. In the interim, we can make things work a bit more smoothly if we all get into the habit of queuing from the south end. We will be putting up some signage to remind you, and our bar staff will preferentially serve customers doing the right thing.

## Volunteers Wanted

If you've been thinking about doing something to help out at the club, we'd love to hear from you. Just drop us an email on [woodvillebowlingclub@gmail.com](mailto:woodvillebowlingclub@gmail.com).
