Bowls for Sale – Taylor GTR Size 3 with plain grip - \$500

We have a brand-new set of Taylor GTR bowls. Taylor says the colour is Amber, but we think it's orange. \$500 is a very good price (if you order online, you'll be paying over \$700 & waiting 6 to 8 weeks). If you want to try them, contact a member of the board, or just email woodvillebowlingclub@gmail.com if you want to buy them.

Food Safety Supervisor

A new food standard code came into effect in December 2022. It states that every food business that serves food must have at least one designated **Food Safety Supervisor** on staff at all times, and that all **Food Handlers** must be trained to a specific standard.

Food Safety Supervisors are responsible for:

- Overseeing day-to-day implementation of food safety in the workplace &
- Supervising and training Food Handlers in the business.

Food Safety Supervisors must have completed specific nationally recognised Food Safety Supervisor training.

So, we are looking for a **Food Safety Supervisor**. If you are interested, please let someone on the board know.
