WBC May 2025 Update … the AGM Edition

Congrats to all of our tournament winners for 2025! → **check out the details on our website**

AGM / New Board of Management
The AGM was help on Monday, 12 May. Thanks to everyone that was able to make it. We now have a new Board of Management and have agreed to address some of the heat / shade issues (see below)

New Board of Management

President	Terry Hughes	Board Member	Graham Bridger
Vice President	Kevin Fox	Board Member	Jim Dimasi
Treasurer	Alan Goodchild	Board Member	Ken James
Secretary	Jan Prosser	Board Member	Sharon Pedersen
		Board Member	Anne Vreugdenburg

Kelly Stearne Memorial Skins
The Skins Tournament was a success … again. There were a few issues early on with four teams MIA, but once the cards were re-jigged the day went off without a hitch. Thanks to all of our volunteers, players, visitors & sponsors. We've shared a few photos on Facebook: https://www.facebook.com/share/p/16cFFNhKXm/

We've been forced to reschedule this event twice due to heat over the past two years, so we think it might be wise to plan for a date in April just as the Pennant season finishes. Watch this space

Coach for 2025 – 2026
A committee has been established and discussions are underway. We can't reveal any details at this point but we are planning on introducing our new coach soon … again, we will keep you posted.

Indoor Bowls
The season has commenced and if you're interested to come out and have a look we are playing at the following times:

- Ladies – 10AM every Tuesday
- Mixed – 7PM every Wednesday

Social Bowls
Monday Social Bowls will continue at the new time of 10:30AM for an 11:00AM start. It is 2-4-2 Pairs, single entries welcome @ $10 per person with good prize money.

SHADE!
As all members will be aware we are concerned about the heat buildup under the veranda adjacent to rinks 1 to 6 (the southern side of A Green in front of the shed). We have decided to remove the existing veranda and replace it with a taller shade structure. This was approved at our recent AGM and a contractor has been approached for a firm quote. We anticipate that this will cost us about $25K & we hope to have this work completed before the start of the next Pennant Season.

We are also very keen to replace the deteriorating shelters along the northern side of both greens. Our initial quotation is $60K to $85K to complete this project, so we have approached the City of Charles Sturt seeking partial support up to $40K. Due to their budgeting constraints we don't expect to hear from them until October. Hopefully, they will be supportive. We will call a Special General Meeting then to update members and seek their approval to proceed with view to completing the project as soon as possible.

Smooth Roll Bowling Greens Roller
To extend the life of our greens we've decided to purchase a new Smooth Roll Bowling Greens Roller. It will set us back about $9K.

Isn't she a beauty?

New TV
The club has decided to purchase a new larger smart TV for the bar area and move the existing TV to the southwest corner of the dining area.

New Oval Ave Fence
The City of Charles Sturt will be replacing the fence along the Oval Ave side of the club next week. Yay! … and Thank You CCS.

New Steps
Thanks to ECH & Ken James we will soon have some new steps to help those of us that find it difficult to climb onto & off of the greens.

Membership Fees are payable anytime
We have increased our membership fees to $200 for full members this year. Please check out the fee schedule and payment options on our website: https://www.woodvillelawnbowls.com.au/membership-fees/

Our sponsors
This club can't exist without the generous support from our sponsors, please show them your support.
